1 I, **Mike Molloy**, declare:

2 I know the following facts to be true from my own personal knowledge, except those facts  
3 which are stated on information and belief and as to those facts I believe them to be true. I could and  
4 would competently testify under oath to the truthfulness of the following facts:

- 5 1. I am one of the owners of the Debtor in United States Bankruptcy Court Case Number  
6 1:24-bk-10371-MB. I have personal knowledge of the facts stated herein and, if  
7 called upon to testify thereto, I could and would do so competently and truthfully.
- 8 2. This declaration is made in support of Debtor's Postconfirmation Status Report  
9 Regarding Consummation of the Confirmed Plan.
- 10 3. Debtor has commenced payments under the plan and a total of \$209,831.67 has been  
11 distributed pursuant to the provisions of the plan since confirmation. Attached hereto,  
12 marked Exhibit A, is a chart which accurately reflects the post-confirmation payments  
13 scheduled to be paid under the confirmed plan as well as a list of actual payments  
14 made pursuant to the plan. The items in bold are items that have either not been paid  
15 or funds have been returned. The following is an explanation for each:
  - 16 a. Toyota Industries Commercial Finance, Inc. was not paid due to the  
17 fact that the equipment has been returned and we no longer owe any  
18 money to this company;
  - 19 b. Sigler was paid \$4,132.13 of the \$4,441.00 that should have been paid.  
20 We intend to send the difference immediately;
  - 21 c. Bahr Safaei-Far was listed in the schedules by error as being owed  
22 \$1,145.00. The company does not owe any money to this individual;
  - 23 d. Bank of America (3 claims) The checks were mailed but all have been  
24 returned. We are working on trying to figure out how these payments  
25 can be sent and applied to the respective loans;
  - 26 e. The Holman Group was not paid due to the fact the company does not  
27 owe this debt and it was inadvertently scheduled. They were a  
28 customer who had a contract for \$50,639.61. They paid a \$5,000.00

1 deposit which was not refundable due to cancellation after the  
2 contractual right to cancel which was explained to the client and the  
3 client has not asserted a claim for the return of the deposit;

4 f. Trever Pietsch had previously sued Debtor but a judgment was  
5 rendered in the Superior Court of California stating that company does  
6 not owe Mr. Pietsch any money;

7 g. WireMen Inc. was scheduled with four different debts. None of these  
8 have been paid due to the fact that this debt should have been listed as  
9 disputed as this debt was for work unauthorized work done by an  
10 electrician and attempted to be billed to our company. If any  
11 authorization was given for the work, it would have been by the  
12 customer/homeowner and, therefore, the additional work would be the  
13 responsibility of the authorizing party.

14 4. I am not aware of any new tax liabilities that Debtor has accrued or come due post-  
15 confirmation.

16 5. I project that Debtor will be able to and will continue to comply with the terms of the  
17 Plan.

18 6. Debtor have not acquired any real property since confirmation of the plan.

19 7. Debtor has not entered into or assumed any executory contracts after plan  
20 confirmation.

21 I declare under penalty of perjury under the laws of the United States of America that the  
22 foregoing is true and complete to the best of my knowledge.

23 Executed at \_\_\_\_\_, California, on this \_\_\_\_\_ day of March, 2025.
